---

## Professional Summary

Junior Front-End Developer specialized in React.js and Next.js with strong proficiency in JavaScript, TypeScript, HTML5, and CSS3. Experienced in building responsive, high-performance, and scalable web applications, creating reusable UI components, and optimizing for CSR and SSR rendering. Skilled in RESTful API integration and collaborating with backend developers to deliver seamless user experiences. Passionate about UI/UX principles, design systems, and SaaS & e-commerce solutions. Highly motivated to learn, grow, and innovate while working in collaborative teams.

---

## Skills

### Technical Skills

- **Frontend:** React.js, Next.js, TypeScript, Redux Toolkit, JavaScript (ES6+), HTML5, CSS3, Bootstrap, Tailwind CSS, Material-UI, Shadcn-UI, Sass
  - **Tools:** Git, Vite, npm, Node.js (basic backend knowledge)
  - **State Management:** Context API, Redux (basic)
  - **APIs & Performance:** RESTful API Integration, Debugging, App Optimization, Backend Integration
  - **Rendering:** CSR, SSR, SSG, ISR
  - **Collaboration:** Git, GitHub, VS Code, Figma (basic UI)
  - **Other:** Responsive Design, SEO Optimization, Accessibility Standards, Debugging, Problem Solving
- 

### Soft Skills

- Communication
- Problem Solving

- Critical Thinking
  - Team Collaboration
  - Adaptability
  - Continuous Learning
- 

## Projects

- **E-Commerce Website (Next.js, Tailwind CSS)** [\[Live\]](#) [\[? GitHub\]](#)  
Developed a responsive e-commerce site with product listing, cart, and app routing. Built reusable components and optimized loading performance.
  - **Education Platform (Next.js, TypeScript, Tailwind CSS)** [\[Live\]](#) [\[? GitHub\]](#)  
Developed a scalable and high-performance educational platform with a strong focus on speed, responsiveness, and user experience. Implemented responsive design and optimized Next.js architecture for scalability.
  - **PPIS Introductory Website (Next.js, TypeScript, Tailwind CSS)** [\[Live\]](#) [\[? GitHub\]](#)  
Built a modern and responsive introductory website for PPIS with a focus on clean UI/UX design and smooth animations. Implemented modern transitions to enhance engagement and deliver an interactive experience.
- 

## Education

- **Bachelor's in Public Policy & Technology Applications – PPIS College (Expected 2028)**
- **Intro to C# Training – ITI (Information Technology Institute)**
- **Front-End Development Training – CodeWay Academy**
